Many thanks for assisting to make this happen. It should be a great learning opportunity for students to engage in their culture and see the relevance of STEAM.

Expression of Interest (EOI)

Science, Technology, Engineering, Art and Mathematics (STEAM) YOUTH DEVELOPMENT CAMP

The New South Wales Aboriginal Education Consultative Group Inc. (NSW AECG Inc.) in conjunction with the Aboriginal and Torres Strait Islander Mathematics Alliance (ATSIMA) will be conducting a STEAM Youth Development Camp for Aboriginal students from Years 5 to 11. To commence the process the NSW AECG Inc. is calling for Expressions of Interest from schools with Aboriginal students in the nominated years.

The camp will contribute to creating the generational change required for students to achieve better outcomes at school and access post-school learning and employment pathways, in the areas of Science, Technology, Engineering, Art and Mathematics. Camps such as these assist in opening up careers of the future for Aboriginal students.

The NSW AECG Inc. is committed and actively involved in supporting and raising the academic achievement of Aboriginal students. We aim to empower students to be active learners in their education and training by providing opportunities to develop skills in leadership roles within their schools and communities. This camp will look at opportunities that can inspire and motivate students who may be thinking of a career in STEAM or who simply want to challenge themselves.

Schools should forward Expressions of Interest (EOI) on behalf of students hoping to attend the camp. EOIs should be forwarded to the NSW AECG Inc. Secretariat by either email: info@aecg.nsw.edu.au or by Fax: 02 9550 3361. EOIs must be received by COB Tuesday 17th July 2018. No EOIs will be received after the Tuesday 17th July 2018. The maximum numbers of students for the STEAM camp is 100.
