

The Department of Regional NSW Aboriginal Outcomes Team, in partnership with Wilcannia Central School would like to extend a personal invitation to your organisation to participate in the Wilcannia

Careers Expo Day 2023

-  Thursday 27th April
-  Bourke Oval, Wilcannia
-  From 10am-1pm
-  **RSVP by
27th March**

The Careers Expo Day is designed to bring together local and out-of-town organisations to connect with the youth of Wilcannia. Your participation will help guide and inform attendees of career pathways and opportunities.

Informing and educating the youth of our community of these opportunities is critical to their future development.

The day will also be the perfect platform to promote your organisation, meet and attract future employees, and to inform and influence the community's future work force.

We encourage exhibitors to be as interactive with their displays and promotional materials, and to conduct demonstrations where possible.

Please RSVP your interest and discuss requirements by phone or email.
