

NSW Aboriginal Education Consultative Group (AECG) and John Holland (JH) STEM Scholarship for Aboriginal and Torres Strait Islander University students

STEM University Scholarship Information:

These Scholarships are available annually to two University students, either new and/or continuing, students. These scholarships provide each successful applicant with \$15,000, and where applicable scholarship winners will be offered casual, ongoing paid work experience on a JH project or corporate office while they complete their university studies.

Applicants will be chosen according to the following criteria:

- Applicant is Aboriginal and/or Torres Strait Islander descent and is accepted as Aboriginal and/or Torres Strait Islander in the community in which the applicant lives or has lived
- Enrolled in at least one Science Technology Engineering Maths (STEM) University course in New South Wales (NSW)
- Consistently high results in core subjects
- A supporting statement of 400-500 words maximum as to how this scholarship would assist you in your studies
- Ability to work casual or ongoing paid work experience on a JH Project or corporate office while completing your university studies
- Shortlisted applicants will be required to attend an interview with a minimum 3-person panel.

Please submit this via the attached google form link: <https://forms.gle/zVFam7QE2NA6WTqp8>

Application closing date is **Friday 17th March 2023**.

Please submit applications prior to this date.

Submissions post Friday 17th March 2023 will not be accepted.

For information or assistance please contact the NSW AECG Inc Secretariat on 9550 5666.
